

**BUSINESS ENERGY
CONTRACTS**

Save time & money on energy renewals

with Mole Valley Farmers and Bionic

“Roscoe was very professional. He listened to my energy requirements and then arranged a telephone appointment with an energy advisor, at Bionic, at a time that worked well for me. Bionic rang me back and took care of everything. The whole process was quick and efficient.

My new contract is going to save me between £300 and £400 per annum. I'm really happy.”

Mr Gheravada – Owner, Healthwise

Bionic[®]

In partnership with
**Mole Valley
FARMERS**

The energy experts at Bionic will:

- 1. Conduct a business energy comparison,** researching the market on your behalf, using secure, smart data to find the most competitive rates.
 - 2. Offer expert advice on available energy deals,** whether you choose to switch supplier or negotiate a new deal with your existing supplier.
 - 3. Take care of all the arrangements,** on your behalf - all you need to do is choose and Bionic will organise the rest.
-

You can rely on a hassle-free, personalised service at Mole Valley Farmers. Our dedicated Energy Contracts Manager, Roscoe Howard, is here to help you and your business.

**It couldn't be easier to
research, review and renew!**
