

**BUSINESS ENERGY  
CONTRACTS**

# Save time & lock in prices on energy renewals

**with Mole Valley Farmers and Bionic**

“Roscoe was very professional. He listened to my energy requirements and then arranged a telephone appointment with an energy advisor, at Bionic, at a time that worked well for me. Bionic rang me back and took care of everything. **The whole process was quick and efficient.** I’m really happy.”

**Mr Gheravada – Owner, Healthwise**

**Bionic**<sup>®</sup>

In partnership with  
**Mole Valley  
FARMERS**

# The energy experts at Bionic will:

- 1. Conduct a business energy comparison,** researching the market on your behalf, using secure, smart data to find the most competitive rates.
  - 2. Offer expert advice on available energy deals,** whether you choose to switch supplier or negotiate a new deal with your existing supplier.
  - 3. Take care of all the arrangements,** on your behalf - all you need to do is choose and Bionic will organise the rest.
- 

You can rely on a hassle-free, personalised service at Mole Valley Farmers. Our dedicated Energy Contracts Manager, Roscoe Howard, is here to help you and your business.

**It couldn't be easier to  
research, review and renew!**
